

CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D. C. 20505

OFFICE OF THE DIRECTOR

STAT

I am pleased that you would take the time to let me know of your close association these days with foreign students and faculty and with young Americans studying abroad. You must find this a rewarding experience and, certainly, a field in which you can make a solid contribution.

We have been having our recruiting problems this year, as your letter emphasizes, hence it is reassuring to receive a front-line report commending the level-headed conduct of one of our personnel representatives, [redacted] whom you had the opportunity to observe at your university recently. It is good to know he is always welcome on your campus, and I hope you can give him some good recruitment leads from time to time.

Best personal wishes for a Happy Holiday Season.

Sincerely,

Richard Helms
Director
